Select Organizational Structure

Ìdge ▲	Settings	My Company		Q
		General Settings Manage your company name, time zone, supported languages, managers and admins permissions as well as your confidential information entered.	Crganizational Structure Define your company in management levels and the structure of its divisions, teams, positions, sentions and sub- locations.	
		Scheduling Settings	Invitation & Assignment The following settings apply to the entire company and will be used by default when creating new open shifts or	Employee Mobility Define fallback teams, positions and locations for a shift invitation when no regular employee is available.

4 Press Time and Attendance

Click Time Entries Settings

6 Press Display salary in real time

Abridge	 K Back to settings General Settings Organizational Structure Schedules and Availability Invitation & Assignment Employee Mobility Payroll and Time Off Time and Attendance 	Paid tolerance Smart Time Clock Settings Paid tolerance The tolerance allows you to pay an additional few of minutes before or after the shift. When enabled, tolerance precedes precedence over rounding and automatic correction of time entries. Display salary in real time Display the estimated gross salary earned for the current shift on employees homepage.				
↓ 	Time Clock Management Time Entries Settings Timesheet Approvals Billing Integrations	Smart clocking adjustment The smart adjustment allows you to round off the hours clocked by your employees without any manual intervention. Only irregular clockings will require manual intervention Automatic Adjustment of clock in and out When the employee clocks in or out of his shift within the specified time range, the time is adjusted to the original scheduled time. Clocking at 7:58 adjusted to 8:00 Clocking at 8:05 adjusted to 8:00 Clocking at 8:05 adjusted to 8:00 Smart Breaks Adjustment When the employee clocks in or out his break, the paid time is adjusted to the scheduled dime.
