4 Enable the Open statistics and budgets panel

General Display

- ☒ Show schedule totals
Display total scheduled hours and costs for each employee.
- ☒ Open statistics and budgets panel
Open the advanced stats and budgets dashboard.
- ☒ Show non-scheduled employees
Show all employees, even if they do not have a shift scheduled.
- ☐ Show only leave requests
Hide scheduled shifts and show leave requests only.
- ☒ Show notes for printing
When printing, show daily notes in each day header.

Shift Display

- ☒ Show open shifts
Show shifts which are still open for assignment.
- ☐ Display all of your employees' shifts
Show employees' shifts for a team, position or location that you do not manage.
- ☐ Show shifts from other groupings
When using groupings, show all of an employee's shifts in all groupings they are part of.
- ☒ Show paid hours
Show paid hours on the shift once it was completed.
- ☐ Show interested employees
Show all shifts for which employees are interested in their schedules.
- ☒ Show locations
Show shifts' location in the schedule
- ☒ Show positions
Show shifts positions.

Night shifts are displayed on.
☒ Both days ☐ Start day ☐ End day
